

Old Babylonian Freie Sign List

Version 1.1

Institut für Altorientalistik
Freie Universität Berlin

Corvin R. Ziegeler

May 24, 2024

Legend

Signs marked in yellow can only be displayed as *typographic ligatures*¹ Rows marked in red contain signs without stable *codepoints*. Blue rows indicate signs with *stylistic alternates*.²

1. Refer to the “Quick Guide” or the more comprehensive German documentation for detailed instructions on using the marked signs.

2. These are added when the design of the *aBZL* sign was altered significantly. Using the *salt* feature, you can access the more original design.
